INTRODUCTION

The mission of Mirabaud & Cie (Europe) S.A. is to cater for the interests of its customers providing them with advisory services, asset management, transactional and custodian services in relation to their financial needs. We endeavor to develop and offer specialist, customized and top-performing services with a high level of added value.

We believe in the importance of building lasting, personal relationships with all of our customers, based on transparency and trust.

COST OF SERVICES

1/ Administration fee

An administration fee is charged for each portfolio. It covers custody (depository services) and the various administrative tasks associated with portfolio maintenance. It is charged on a semi-annual basis and is based on a weighted monthly calculation.

The fee is on a sliding scale and the applicable annual rates by band are as follows (in EUR):

Up to 2.5 million	0.45%
2.5 - 15 million	0.40%
Over 15 million	0.35%

VAT added if applicable

Minimum fee: EUR 1'000.- per semester

The fee is calculated on total portfolio value.

2a/ Discretionary Management Fee

Discretionary management mandates are for customers who wish to entrust the management of their portfolio to the Bank.

The management fee is charged on a semi-annual basis for portfolios managed by the Bank. It is based on the monthly weighted average of the value of the portfolio and the applicable annual rates per bracket are as follows (in EUR):

Up to 1 million	0.85%
1 - 5 million	0.70%
5 - 10 million	0.55%
Over 10 million	0.45%

VAT added if applicable

Minimum fee: EUR 2'500.- per semester

The management fee is calculated on total portfolio value.

Clients who grant the bank a management mandate enjoy a discount of 50% on the applicable administration fee.

2b/ Advisory fee

Advisory mandates are for customers who wish to manage their portfolio themselves while availing themselves of the Bank's proactive advice.

The advisory fee is charged on a semi-annual basis on portfolios for which the Bank provides advice. It is based on the weighted monthly average. The fee is on a sliding scale and the applicable annual rates by band are as follows (in EUR):

Advisory mandate

Investment advice in relation to financial instruments recommended and/or followed up by the Bank, in line with the clients' defined investment strategy, with portfolio value higher than 1 million EUR or equivalent.

Under 5 million	0.70%
5 - 10 million	0.60%
10 - 20 million	0.55%
Over 20 million	0.50%

VAT added if applicable

Minimum fee: EUR 3,750.- per semester

The advisory fee is calculated on total portfolio value.

2c/ «All inclusive» terms

In some cases we may offer clients an all-inclusive fee. This includes:

- The Banks' administration fee
- The Banks' advisory or management fee
- The Banks' securities fee
- Commissions on fiduciary deposits

VAT added if applicable

The all-inclusive fee is charged for each portfolio. This is charged on a semi-annual basis based on the average amount of assets calculated on month-end portfolio values.

A minimum fee will be charged depending on the entrusted mandate:

	Minimum fee
All-inclusive non-managed	EUR 2,500.- per semester
All-inclusive with discretionary mandate	EUR 4,000.- per semester
All-inclusive with advisory mandate	EUR 6,000.- per semester

A ticket fee of EUR 100.- is charged on all options and futures transactions.

Following fees are billed separately: correspondents' custody fees and delivery fees, tax statements, setup fees on structured products.

3/ Fiduciary deposits and Term deposits

The Bank charges a maximum of 1% on fiduciary deposits amounts depending on interest rates' conditions in the money market.

Minimum fee for Fixed term fiduciary deposits :

Minimum EUR 100.- or equivalent
in the currency concerned

Fixed fee related to interest payment over short term fiduciary deposits :

EUR 30.- or equivalent
in the currency concerned

VAT added if applicable

4/ Structured products

Set-up fees:

The Bank charges a fee on structured products amounts depending on the type of products. The below applicable fees rate are expressed as an annualized rate :

Type of products	Minimum setup fee	Maximum setup fee
Yield products	0.75%	1.25%
Participation products	0.75%	1.25%
Guaranteed-capital structured products	0.50%	1.25%
Leverage products	0.25% of notional	0.75% of notional
Dual Currency Notes (docus)	0.50%	2.00%

VAT added if applicable
